

“iPoint selects Technology Solutions of Charleston as the IP Surveillance Company of the Year.”

November 1, 2011 --Technology Solutions of Charleston, Inc. the distributor of IP converged solutions, has been awarded Partner of the Year 2010-2011 by iPoint Surveillance Systems

iPoint Surveillance Systems named Technology Solutions of Charleston it's IP Surveillance Company of the Year recipient. This was based on the company's strength in the areas of growth strategy excellence, growth implementation excellence, degree of innovation with products and technologies, leadership in customer satisfaction and value, and leadership in market penetration.

Technology Solutions of Charleston's work with iPoint Surveillance Systems in the Southeast has been particularly strong in 2011, with more than 500% growth program. "Several flagship engagements demonstrate their competence in winning major projects and expand our reach across the region. It is our pleasure to award Technology Solutions of Charleston, Inc. with Partner of the Year status as a clear statement of the value we place on our long standing and successful relationship." Says Shi Guang rui of iPoint Surveillance Systems.

"Technology Solutions of Charleston, Inc. is one of the original companies in the IP Video Surveillance market and has maintained a healthy market share with a strategic mix of innovation, effective communication and a comprehensive, best-in-class product portfolio." Says Rachel Shivers Crunk, President of Technology Solutions of Charleston.

Technology Solutions of Charleston serves a wide range of industries including government, airports, seaports and public transportation; and retail, banking, education and commercial enterprise.
